

International Collaboration / MoU Cell established at Sant Gadge Baba Amravati University

In order to strengthen the International Collaboration/linkages among the academicians / research students across the globe, Dr. Mohan Khedkar, Hon'ble Vice-Chancellor, Sant Gadge Baba Amravati University, Amravati has established **International Collaboration / MoU Cell**. A committee has been constituted consisting of Dr. S.F.R.Khadri, Professor and Head, Deptt. of Geology as the Chairman and Dr. Mohammad Atique (Deptt. of Computer Science), Dr. A.K. Gade (Deptt. of Bio-Technology), Dr. S.D. Katore (Deptt. of Mathematics) and Dr. K.B. Nayak (Deptt. of Sociology) as its members.

With reference to the guidelines of UGC, MHRD and State Govt. for improving the quality of higher education at par with the international level, this cell has been established which aims:

- To provide excellent opportunities to a large number of researchers and students of this University for their participation at the International level conferences/seminars/workshops/symposia etc
- To provide guidance on various fellowships/scholarships at the national and international level
- To encourage them for taking part in different research projects through International Collaboration / MoU.
- To provide guidance for International Collaboration/linkages among the academicians / research students across the globe

The University has already signed MoUs with various institutions. For details, please visit <http://www.sgbau.ac.in/OtherPublications.asp>
